Bangalore 560067 Karnataka INDIA

Declare under our sole responsibility that:

Corometrics 170 Series Fetal Monitor and its accessories

Reference: see addendum

GMDN Code: 37796

has been assigned to Class IIb : Classification rule (93/42/EC Annex IX) : **Rule 10**

To which this declaration relates, is in conformity with the requirements of the medical devices directive 93/42/EEC which apply to it. In addition, the product is in conformity with the requirements of the directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment (as assessed by the manufacturer).
This conformity is based on the following elements:

- Information included in the documents:

Technical File: DOC0471286 , of the product to which this declaration relates.

- ISO 13485 Certificate: Approval of Quality Assurance System delivered by GMED France / Certificate N° 15813, CE 7651

- CE Certification delivered by **GMED France** / Certificate N° CE 21266

- List of harmonized standards applied for CE marking is located in the Technical Documentation for this product.

- The Medical Device bears the mark **CE0459**
